OUR STORY

Desert Storm Distillery, the home of Jackal & Gin, is a craft spirits manufacturer, specializing in high-quality artisan Gins, Rums, and Aperitifs, all crafted from unique, locally sourced ingredients that embody the spirit of our vibrant South African culture.

Founded in 2023, and nestled in the Heart of Pretoria Moot, Desert Storm is the hidden Gem of its Industrial Hub, Koedoespoort, bringing Craft Spirit experiences to the community.

The founder, Martin ten Krooden, brings over 2 decades of experience in the beverage industry. Having developed and produced specialty coffee for prominent roasteries in South Africa and the Middle East, he now brings his artisanal talent to the South African Spirits Market.

OUR MISSION

We're on a mission to create exceptional spirits that capture the essence of South Africa, using traditional distillation methods & the finest local botanicals. Our distillery is a celebration of local heritage, where artisan craftsmanship meets diverse flavors.

We supply the hospitality industry & liquor retailers & distributors with wholesale products, a private label service to create a distinctive line of Spirits under your own brand name, and bespoke cocktail development.
